

STATE ROUTE 36 IMPROVEMENTS

Starting in Spring 2018, Caltrans will be repaving State Route 36 from Richmond Road (US 395) to just east of Eagle Lake Road. The project will require some modifications to crosswalks and the crosswalk connections to sidewalks at local street corners.

The Lassen County Transportation Commission is hosting a community meeting regarding the project and possible opportunities to add cost-effective additional elements. Caltrans representatives will be available to address details of the project.

When: 10:00 a.m. – 12:00 p.m.

Monday, November 20, 2017

Where: Susanville City Council Chambers, 66 North Lassen Street

Who should attend?

Community Members

Organization Representatives

Business Owners

Building Owners

Meeting topics will include:

- Purpose of the Caltrans paving project, and the final design
- Ideas from community about possible additional elements
- Schedule for possible additional community meetings

Your Input is Highly Desired!
