

FY 2020

HOUSING IMPROVEMENT PROGRAM

The Susanville Indian Rancheria is currently accepting applications for the FY 2020 Housing Improvement Program (HIP). This program is a home repair, renovation and replacement grant program administered by the Bureau of Indian Affairs (BIA) and federally-recognized tribes for American Indian and Alaska Native individuals and families who have no immediate resource for standard housing.

If you are a member of the Susanville Indian Rancheria, live in Lassen County, own your own home/land or lease the home/land with an undivided leasehold for at least 25 years from the date you receive assistance and your combined household income does not exceed 150 percent of the Department of Health and Human Services poverty income guidelines, you may be eligible for this assistance. **The only way a Susanville Indian Rancheria tribal member may receive this assistance is to fill out an application.** Submit all applications to the SIR Tribal Office. Applications will be checked for completeness and then turned over to the Public Works Director so that they can be recorded and turned in to the BIA-Redding Office for processing. All HIP applications will be evaluated on a national basis.

All applications must be received by the Susanville Indian Rancheria by December 13, 2019. Please call Public Works at 530-251-5196 for further information.
