This offering is a California LifeLine supported service. Only qualified consumers with documentation proving eligibility may enroll. California LifeLine services are non-transferable and limited to one benefit per household consisting of either Wireline or Wireless. California LifeLine is a government benefit program and consumers who willfully make false statements in order to obtain the benefit can be punished by fine or imprisonment or can be barred from the program. When removing a wireless cell phone from a residence that does not have other phone services, residents may not have a way to make 911 calls during an emergency. Also, Wireless service may experience interruptions due to weather conditions, terrain or gaps in service coverage. In order to maintain your California LifeLine service, you must verify your enrollment information annually.
