

SUSANVILLE INDIAN RANCHERIA

March 18, 2020

Parents/Guardians of SIR Education Program:

As you are aware, all schools in Lassen County will be closed beginning March 19, 2020 due to concerns over the COVID-19 outbreak. Students are currently required to return on April 14, 2020.

Susanville Indian Rancheria, Tribal Business Council has made the decision to follow the same directive as the local schools for the SIR Education and Teen Centers. Our Education Program will be closed to students from March 19, 2020 – April 13, 2020. While the students are away, Susanville Indian Rancheria staff will be ensuring our center is thoroughly clean, awaiting the students' return on April 14th.

If the schools make the decision to extend the closure beyond April 13th, SIR will continue to remain closed as well. We advise all parents/guardians to contact Amy Langslet, Education Programs Manager at 530-316-1865 with any further questions, or to check the Susanville Indian Rancheria website to remain informed.

Respectfully,

Deana M. Bovée
Tribal Chairwoman
