

Tribal Business Council Monthly Report

July 28, 2021

MOU City Fire/Police - I am still currently working on both agreements. I have set a meeting with Dan Newton to discuss both documents.

Fire Update – The city along with Cal Fire responded to a vegetation fire on Highway 139 upon arriving it was determined that the fire was on SIR land. The state did extinguish the fire.

Beckwourth Complex – is currently holding at 105,670 acres with 98% containment.

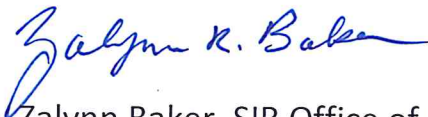

Dixie Fire – is currently 217,581 acres with 23% Containment.

Power Outage

The OES department distributed out 50 flashlights to tribal residents during the power outage. I also distributed out N95 masks as well.

Presentation Mass Notification – Text Them All. CodeRED

Respectfully,

Zalynn Baker, SIR Office of Emergency Services Coordinator/Risk Assessment Officer

Special Studies	
COVID 19 was a factor in this incident.	No, COVID 19 was not a factor.

NARRATIVE (1)
<p>Narrative Title: Wildland fire</p> <p>Narrative Author: Hernandez, Tom</p> <p>Narrative Date: 07/12/2021 11:13:08</p> <p>Narrative Apparatus ID: C-601</p> <p>Narrative:</p> <p>On 7-06-2021 at approximately 1422 C-601 and E-621 dispatched to the area of Highway 139 at mile marker 3 for a report of a wildland fire. Cal/Fire also dispatched to the incident. Battalion 6601 first unit on scene and gave a dispatch of a 50x50 spot fire. A water can was utilized to aid in extinguishing the fire. Cal/Fire E-2291 was also used to check for hot spots and put out any fire that was not extinguished by the water can. C-601 remained on scene until approximately 1614 with E-2291. E-621 cancelled by E-2291.</p> <p>C-601 and C-6601 performed an investigation and determined that the fire was possible caused by a vehicle towing a trailer with a flat tire. The road had marks on it indicating a possible flat tire. The marks on the road were close to the edge of the road indicating the possible flat was on the passenger side of the vehicle.</p> <p>The fire was more than likely caused by a spark that came off the flat tire that had possibly came off the rim. The fire was extinguished by E-2291. All units finished at scene and returned to quarters.</p> <p>Assistant Chief/Fire Marshal Tom Hernandez 601</p>
