## **WOMEN ARE SACRED**

Silence is no longer an option for the families and communities suffering the losses of Missing and Murdered Indigenous Women and Girls. The Red Dress and Red Handprint movements to bring awareness to this crisis continues on, with the spirit of these Scared Women, alive in all of our collective efforts. This year, the Susanville Indian Rancheria Pow Wow will continue to elevate the voices of those impacted by this trauma by honoring MMIW throughout the event and by holding a Red Dress Special.
