BENEFITS:	Highly competitive package <i>*See below</i>
SUBJECT TO P.L. 101-630:	Yes

GENERAL STATEMENT OF RESPONSIBILITIES:

Under the general supervision of the Chief Financial Officer, the Controller will assist with the design, operations, and control of effective administrative procedures related to accounting, payroll, property control, procurement and operational budgets for tribal governmental funds as well as the implementation of new accounting software modules. The Controller will be assisting with the training of clinic and tribal staff with these implementations. Day-to-day general ledger responsibilities, accounts receivable, payroll and tax compliance for tribal entities, including month end close of asset and liabilities will be the responsibility of the Controller.

SPECIFIC AREAS OF RESPONSIBILITIES:

- Assists in the development, establishment and maintenance of proper accounting procedures and internal control processes to ensure that the financial accounting records, financial reports, management reports, and financial budgets are accurate, complete, and timely and presented in a professional manner. Controller will be responsible for the annual audit and other audits by the different agencies.
- Reviews cash management procedures regarding grant advances or reimbursements and other revenue streams for compliance with policies and assists with implementation of cash drawers. Does monthly bank reconciliations.

- Submit SIR grants financial reports to the granting agencies as needed . Do the drawdowns immediately after submitting the required financial reports.
- Manages general ledger accounting, including reconciling all balance sheet accounts (bank reconciliation, and general accounts receivables, payroll liability accounts), and coding of expenditures to proper budget accounts as well as chart of accounts.
- Process and post indirect rates allocation monthly in a timely manner
- Assists with the preparation of the annual budget (Bureau of Indian Affairs, , tribal contracts and/or grants, as well as gaming and non-gaming enterprises) and processes for all tribal funds and departments, including preparation of initial budgets. Monitors plans and projects and reports progress on a monthly, or more frequent, basis to the Chief Financial Officer.
- Post budget in MIP. Assist Program Managers in their budget reports, changes in budget and posting changes in MIP. Provide Program Managers with their budget reports.
- Assists with the preparation of forms, reports, and other required documents necessary for compliance with state and federal regulatory requirements related to contracts and grants.
- Supports tribal executive level managers in the day-to-day cost control and financial performance of each program.
- Reviews internal controls and assists with establishing policies and procedures at the management level to ensure adequate safeguard of assets.
- Supervises accounting support staff to ensure proper compliance with, and execution of, accounting policies and procedures as well as tribal personnel policies and procedures.
- Reviews and monitors the work-product of accounting staff to ensure the accuracy, completeness, timeliness, and proper presentation of accounts receivable, accounts payable, general ledger, payroll tax and other accounting information.
- Understands fully, manages, coordinates and trains staff regarding the computer hardware and software systems used in the fiscal department.
- Assist and give staff training in coding deposits and expenses.
- Manage and give new users Microix and MIP access and passwords to the systems.
- Manage and update the Microix workflow to ensure the approvers are the right staff.
- Assist in giving the departments training in using Microix.
- Assist in training departments to view their departmental revenue and expense.

- Review and approve the Accounts Payable before printing checks.
- Review and approve the payroll before printing checks.
- Assist in audit. Make sure the fiscal staff are ready in their reports and back-ups for audit.
- Prepare SIR Grant Analysis for auditors.
- Prepare SEFA schedules for audit.

KNOWLEDGE SKILLS AND ABILITIES:

- A. Demonstrate ability to understand and comprehend the different business and program activities of the tribal government to support the compliance requirements for various agencies.
- B. Extensive computer skills, excel, word, accounting system preferably Microix and MIP.
- C. Excellent written and verbal communication skills.
- D. Ability to Supervise. Must be a role model in attendance and timely completion of work.
